

## GRANDMA NEVER LET HER HAIR GET GRAY

Kept her locks youthful, dark, glossy and thick with common garden Sage and Sulphur.

When you darken your hair with Sage and Sulphur, no one can tell, because it's done so naturally, so evenly. Preparing this mixture, though, at home is messy and troublesome. For 50 cents you can buy at any drug store the ready-made tonic called "Wyeth's Sage and Sulphur Hair Remedy." You just dampen a sponge or soft brush with it and draw this through your hair, taking one small strand at a time. By morning all gray hair disappears, and, after another application or two, your hair becomes beautifully darkened, glossy and luxuriant. You will also discover dandruff is gone and hair has stopped falling. Gray, faded hair, though no disgrace, is a sign of old age, and as we all desire a youthful and attractive appearance, get busy at once with Wyeth's Sage and Sulphur and look years younger.

## LOCAL NEWS

Mr. and Mrs. Myers Hobbs returned to Alliance Sunday from a brief honeymoon to Denver and other points. They will visit with relatives and friends until the first of next week when he will go to his school near Moffitt to take up his duties for the coming term.

All the teachers in the city schools for the coming term will meet at the high school Saturday to become acquainted and to discuss the school work, that they may start off harmoniously.

Kilpatrick Bros., the millionaire contractors and land owners, were in Alliance the latter part of last week visiting with friends and looking after business matters.

Mrs. W. H. Mann and daughter Bessie returned to their home at Creek, Nebr., last Thursday after a visit here with M. G. Wambaugh and family.

Miss Sadie Black returned to her home at Grand Island last Thursday after a few days' visit here with the Dr. Bowman and F. W. Harris families.

Mrs. Vada Davis came in from Mitchell last Thursday for a few days' visit with the Dr. L. W. Bowman and family.

Dr. Spencer and family returned last Thursday from Denver where they had been for a few days visiting and looking after business matters.

Mrs. William Cherry returned to her home at Lakeside last Friday after attending the teachers' institute here during the week.

Mrs. Ivan Rodgers came in last Thursday from Sheridan, Wyo., for an extended visit with her parents, Mr. and Mrs. E. T. Kibble.

Mrs. W. H. Hayward, of Whitman, was here between trains last Thursday visiting with Mrs. H. B. Alber.

Mrs. C. C. Rice, accompanied by her sister, Winnifred, and little Esther Boone, departed Saturday for Antioch, near which place she will teach this year. Miss Winnifred will visit there about a week, but the little Boone girl will remain and go to school to Mrs. Rice. Her district is No. 136, Sheridan county.

Miss Ruth Jones returned to her home at Ellsworth Saturday after a visit here with her sister, Mrs. Ward B. Norton.

Mrs. John Hill and son Jean, who had been visiting her sister, Mrs. J. F. McAlpin, returned to their home at Wynmore Saturday. Before coming to Alliance they visited with Mrs. Hill's sister, Mrs. J. B. Hagerty, at Bridgeport.

W. S. Delzell was here from Lincoln the latter part of last week visiting with County Attorney Basye. Mr. Delzell was enroute to Chadron, to which place he went Saturday, remaining with friends over Sunday. He is a son of former State Superintendent Delzell.

Bud Schafer spent the week-end with relatives and friends at Scottsbluff.

J. G. Mazur, who had been assisting Roy Strong in this territory for the Ohio Match Company, went to Grand Island last Friday where he will now make his headquarters.

Mrs. Ella Hawkins, who had been here for the past week visiting with her daughter, Mrs. H. F. Thiele, and family, departed Friday for her home at St. Joe.

Mrs. Jennie Williams went to Taylor, Nebr., last Friday night to attend the funeral of her father-in-law, T. W. Williams, who died at his home in that town Friday morning. She returned home the first of this week.

Out-of-town relatives who came here to attend the funeral of Wm. Froeshia were Ben Thurston, of Casper, Wyo., Wm. Froeshia, Jr., and Walter Thurston, of Council Bluffs, and Harry Thurston, of Crawford.

Miss Lavinia Morrow came in Friday from Scottsbluff for a few days' visit with her brother, J. C. Morrow, and family.

Miss Ruth McCormick returned home Friday from a week's visit with friends at Scottsbluff.

Master Leon Alter went to Whitman Saturday and remained over Sunday visiting with friends.

Bruce Wilcox came up from Bridgeport Saturday to remain over Sunday with Mrs. Wilcox. Max, Al Snediker, and the other employee in the News-Blade office came up Sunday, so that everyone connected with that great moral guide spent Sunday in Alliance. While Mr. Wilcox and the others are strong Bridgeport boosters, we notice that they enjoy a day in Alliance whenever they can get here.

Mrs. W. L. Brotherton went to Merna, Nebr., Saturday for a few days' visit with friends.

Internal Revenue Collector R. P. Scott returned Monday from Bridgeport where he had spent Sunday with his family.

Miss Lena Atz returned home Monday from Ft. Collins, Colo., where she had been visiting for the past two weeks.

J. C. McCorkle last week was exhibiting a sheaf of oats picked from his field a mile from town, and as a magnificent specimen it doubtless has no equal in this part of the country, or in fact any other country. The straws stand six feet high, are sturdy, and have long joints. The heads measured twelve inches in length,

and the grains were exceptionally large and thick. Mr. McCorkle and others estimate the yield at 60 to 70 bushels to the acre, which will make people outside the state take back all they ever said about the sand hills country.

Mrs. M. A. Platte, who had been here for several days visiting with her son, Art Shane, returned to her home at Lakeside Saturday.

Miss Minnie Gasseling, who had been assisting in F. E. Reddish's office, went to her home at Hemingford Saturday. She returned Wednesday and entered St. Joseph's hospital where she will undergo an operation for appendicitis.

Assistant General Manager Greer, of Omaha, passed through Alliance on 43 Saturday.

Carl Spacht was down from Hemingford Sunday visiting with relatives and friends. While here Carl found time to visit the plunge, and take a dip, as he says his visits to Alliance are not complete without a visit to the swimming pool.

Mrs. E. M. Lang came in from Council Bluffs, Ia., for a few days' visit with her parents, Mr. and Mrs. John Farrell.

Mrs. John Klase returned to her home at Whitman Monday after a few days' visit here with her friend Mrs. J. Carr.

Mrs. Levi Steyer, of Exeter, Nebr., stopped off here Monday enroute to her home from San Francisco, and will visit the remainder of this week with her sister, Mrs. P. R. Workman.

Misses Rnby Cox and Edna Catron came in Monday from Mullen for a visit with Miss Cox's aunt, Mrs. R. M. Baker. They will visit here about a week.

Mr. and Mrs. R. V. Andress returned the latter part of last week from Sheridan, Wyo., where they had been visiting with her uncle since their marriage Friday, the 20th, and have started housekeeping in the rooms the groom had prepared at 412 Big Horn.

Horace Bogue returned last Friday from New York where he had been to select the fall and winter lines of dress goods and ladies' furnishings for his store.

W. R. Pate went to Harrison, Sioux county, the first of this week, and will instruct in the teachers' institute.

In last week's issue it was stated that Aubrey Young was confined to his home with typhoid fever. The Herald has since learned that the affliction was catarrhal bronchitis, and that the young man has recovered.

Mr. and Mrs. L. S. Kish returned home Monday from a few days' visit with relatives and friends at Kearney and other points over the state, and Mr. Kish has resumed his duties as night marshal. During his absence, Jack Burns preserved law and order during the nights.

There was a heavy traffic over this line of the Burlington last Thursday on account of the Old Settlers' Reunion at Minatare last Thursday, Friday and Saturday. It is estimated that there were between 150 and 200 people passed through Alliance, most of them coming in on 44. For a few minutes the depot was almost jammed full of human beings, all the seats being taken and standing room being at a premium, but this condition was soon relieved when the travelers started out over town for dinner. From all reports, the Minatare reunion was more than a success.

H. S. Wilber, secretary to General Manager Holdredge, of the Burlington, came in Sunday from Omaha for a short stay, and to accompany home Mrs. Wilber, who had been here for the past few days visiting with friends. Mr. Wilber thinks Alliance is one of the best towns in the state, and always enjoys a visit here, if for nothing more than to witness the progressiveness and the things accomplished between each visit. Few towns, he says, are showing more public spiritedness or a more substantial growth than our own Alliance.

## HEAVY MEAT EATERS HAVE SLOW KIDNEYS

Eat less meat if you feel Backachy or have bladder trouble—Take glass of Salts.

No man or woman who eats meat regularly can make a mistake by flushing the kidneys occasionally, says a well-known authority. Meat forms uric acid which excites the kidneys, they become overworked from the strain, get sluggish and fail to filter the waste and poisons from the blood, then we get sick. Nearly all rheumatism, headaches, liver trouble, nervousness, dizziness, sleeplessness and urinary disorders come from sluggish kidneys.

At the moment you feel a dull ache in the kidneys or your back hurts or if the urine is cloudy, offensive, full of sediment, irregular of passage or attended by a sensation of scalding, stop eating meat and get about four ounces of Jod Salts from any pharmacy; take a tablespoonful in a glass of water before breakfast and in a few days your kidneys will set fine. This famous salts is made from the acid of grapes and lemon juice, combined with lithia, and has been used for generations to flush and stimulate the kidneys, also to neutralize the acids in urine so it no longer causes irritation, thus ending bladder weakness.

Jod Salts is inexpensive and cannot injure; makes a delightful effervescent lithia-water drink which everyone should take now and then to keep the kidneys clean and active and the blood pure, thereby avoiding serious kidney complications.

## There's Nothing Better

On a Hot Summer Day

Than a heaped-up, foaming, sizzling, freezing, tasty ICE CREAM SODA. It's a nice stroll to the fountain, and sodas are more nourishing and refreshing than any other kind of iced drinks you can get, because ice cream is rich food made so appetizing with the pure fruit flavors at the soda fountain that many people have one as a light lunch to keep up their energy on a sizzling hot day.

A refreshing specialty is a CHOCOLATE GOUP—concentrated food and drink. Ten cents for a genuine treat.
